

Dear colleagues, it is with great pleasure that I introduce you to this special event of the newborn EHNS Academy: the "OPHLs from A to Z", the first European course entirely dedicated to open partial surgery of the larynx.

In the latest few years laryngeal surgery has known an important growth, especially in open partial laryngectomy. In this extremely precise surgery, every minimal surgical and technical detail impacts on oncological and functional outcome.

Our experience, and the relative rarity of this type of disease, persuaded us that partial laryngeal surgery needs to be learnt also by means of a specific course, entirely dedicated to the practical/propedeutic steps of OPHLs.

Great emphasis will be given to relive surgery and the cadaveric dissection carried out by skill surgeons and projected in 3D on big screen, which will allow the participant to better understand the advantages and disadvantages of each surgical procedure, focusing on the pathway of spreading of laryngeal cancer.

Courses will take place at San Giovanni Bosco Hospital and Anatomy Institute of University of Turin.

The aim of the Course is strictly practical. Great interest will be the improvement of manual skills and of the strategy to approach this surgery.

Then I just have to wish you a good learning!

Giovanni Succo

► **ORGANIZING SECRETARIAT**

Stilema Srl

Via Cavour, 19 - 10123 Torino (Italy)
email: congress@stilema-to.it

► **REGISTRATION**

Registration for the Course can be made from by using the online registration service at the following address: www.stilemarete.it

The registration fees are the following (VAT included): ENT € 300

► **CME**

The procedure for the European accreditation of the Course has been activated for ENT.

Come to Turin and discover
the secrets of open partial
laryngeal surgery

2 days of full immersion
program 3D video learning

Program

→ Friday

▶ 08.00 – 8.30

Introduction – program at a glance

G. Succo

▶ 08.30 - 09.30

Step 1 – Patients selection – Endoscopic work-up

E. Crosetti

▶ 09.30 – 10.15

Step 2 – Radiological work-up

I. Bertotto, G. Fondello

▶ 10.15 – 10.30

Coffee break

▶ 10.30 – 12.30

Step 3 – OPHLs: surgical technique (type I, type II, type III)

G. Succo, A. Bertolin

▶ 12.30 – 13.30

Lunch

▶ 13.30 – 14.15

Indications to OPHLs

G. Succo

▶ 14.15 – 14.45

Oncological results

E. Crosetti

▶ 14.45 – 15.45

Functional results and refinements

M. Fantini

▶ 15.45 – 16.00

Coffee break

▶ 16.00 – 19.00

3D Re-live surgery (type I, type II, type III)

G. Succo, A. Bertolin E. Crosetti

▶ 20.00

Course Dinner

→ Saturday

▶ 08.00 – 13.00

Cadaver dissection:

OPHL technique – Master dissection

G. Succo, E. Crosetti

▶ 13.00 – 14.00

Lunch

▶ 14.00 – 14.45

Complications of OPHL: diagnosis and treatment

A. Bertolin

▶ 14.45 – 15.30

Post-operative rehabilitation and follow-up

G. Arrigoni

▶ 15.30 – 16.00

Adjuvant radiation therapy: how I do it

D. Nassisi

▶ 16.00 – 16.15

Coffee break

▶ 16.15 – 16.30

Post-OPHL recurrence: diagnosis and treatment

E. Crosetti

▶ 16.30 - 17.00

OPHLs: pearls and pitfalls

G. Succo

▶ 17.00 – 18.45

Discussion of clinical cases

E. Crosetti, I. Bertotto, A. Bertolin, M. Fantini

▶ 18.45 – 19.00

Final remarks – EACCME certificates

G. Succo
